

Leather and Mahogany Steering Wheels ... Sporty and Comfortable

Three Spoke Steering Wheels are specially designed and manufactured using the finest quality materials.

Every wheel is hand finished and has passed strict quality controls throughout the manufacturing process. The unique and beautiful appearance of real leather or mahogany remains a natural product with its own appeal.

The Leather Steering Wheels are 14" in diameter and come with your choice of polished or black center spokes. The Mahogany Steering Wheels are 13" in diameter and have polished center spokes.

A Triumph Logo Center Cap, included with both the black or polished center spoke styles, makes these Steering Wheels look like they were made especially for your GT6 or Spitfire. Call or go online and order today!

Sun Visor Replacement Kits Give You Added Safety and Comfort

GT6 MK2 & 3 1968-73
Spitfire MK4 & 1500 1971-80

SVK300

Increase your driving safety and comfort by installing a new Sun Visor Kit to keep the sun out of your eyes.

It's just what you've been looking for, a complete replacement kit for your car's worn sun visors. Kit includes everything you need for quick and easy installation.

Sun Visors are black on both sides.

It is recommended that if you are installing this kit to a car or windshield that has never been fitted with sun visors, use a strong adhesive between brackets and frame, rather than drilling and riveting, to eliminate possibility of cracking the windshield.

Walnut Dashboards ... Enhance Your Interior

10-467

The most apparent quality of these Dashboards is their solid walnut hardwood construction, not plywood or veneer. You can enhance the interior of your GT6 or Spitfire with a beautiful rich Walnut Dashboard. Each Dashboard Set is cut from the same stock of walnut to give the dash a continuous matching grain. Dashboards are predrilled for mounting holes, finely finished and ready to install. Reuse existing mounting hardware from your old dash.

Dash Protector Helps Prevent Fading and Cracking

**Lifetime
Warranty**

15-169

Dash Protector eliminates dash replacement and provides preventative care for the undamaged dash. Made of quality cut-pile polyester that has special UV inhibitors to block the sun and resist shrinking and fading. They are custom cut to fit your dash and have pre-cut allowances for defrost vents, which makes installation easy using self-adhesive Velcro tabs.

Dash Overlay ... The Best Replacement for a Split Dashboard

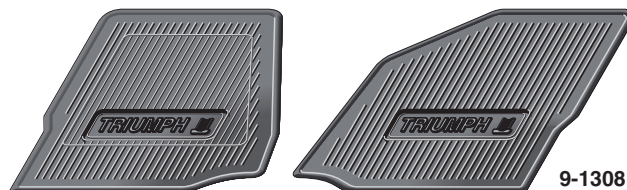

15-175

Dashboard Overlay is a replacement cover for the split top of your existing dashboard. It's made from injection molded, heat-resistant plastic that has been tested to withstand dashboard surface temperatures in excess of 215°F without wrinkling or warping. Just glue it on over your existing dashboard and your old split dash will look as good as new. Complete instructions included. Dash Overlay may be painted to match the color of your interior.

Special Interior Kits ... Your Car's Interior Will Look Like New !

Just Look at All You Get for One Low Price:

Complete Step-by-Step Instructions "How to Install Your Interior"

Spitfire Interior Kit Components

- 2 Door Panels
- 1973-76 Vinyl Seat Kit
- Door Panel Clips
- 2 Vinyl Headrest Covers
- 2 Door Capping Coverings
- 2 Seat Bottom Foams
- Rear Quarter Panel Kit
- 2 Seat Back Foams
- Rear Cockpit Panel
- Complete Black Carpet Set

These Special Interior Kits will bring that new look back to your Triumph. Kit includes Interior Panels, Seat Upholstery and black Carpet Set. The most intimidating and actually the simplest part of your car is the interior upholstery.

Complete Step-by-Step "How To" Instructions are included so you can do it yourself! Basic hand tools you probably already own, or can borrow, will help you get the job done. An interior can be installed in an apartment complex parking lot. The seat can be removed, taken indoors and reupholstered in the middle of the winter. You just remove, dismantle and reinstall.

This is one part of the car that generates the most attention. The magic of a great interior is having quality components that fit properly and look great.

You save lots of money with this kit. Purchasing all of these pieces individually would cost considerably more. And, now you know that you can install it yourself ... or, if you don't have time, buy this kit and take it to a professional upholstery shop. These kits make upholstery shops look good!

VICTORIA BRITISH LTD. is the Exclusive distributor for these Special Interior Kits. Whether you are doing a complete restoration or just want to upgrade your interior, these kits will save you money.

Made from high quality black and biscuit colored vinyl, they include everything you need to make your car look showroom new again. All kits come equipped with everything you need to complete the interior of your car. Each kit has piping colored to match the interior.

Give your car an interior that will be admired for years to come. Call or go online and order a Special Interior Kit today!

* After the sell price means Oversize Part Charge. Your order will incur a charge of \$20.00 for each oversized part.

Embroidered Logo Carpet Floor Mats ... From British Motor Heritage

Made in England

Triumph Wreath Logo

9-1534

These high-quality, custom-fit carpet floor mats are from British Motor Heritage. The embroidered logo is proudly displayed on each mat and will add to the ambiance of any classic car's interior. The custom-fit design ensures that the mats will conform to the contours of the footwells and provides protection for the carpet. Fitted with non-slip crumb backing to remain securely in place, the mats are simple to remove and clean. Mats are black and finished with a matching binding.

Reupholstery Seat Kits Require No Sewing ... Yes ! You Can Do it Yourself !

GT6 MK 3 1973
Spitfire 1964-80

Made in England

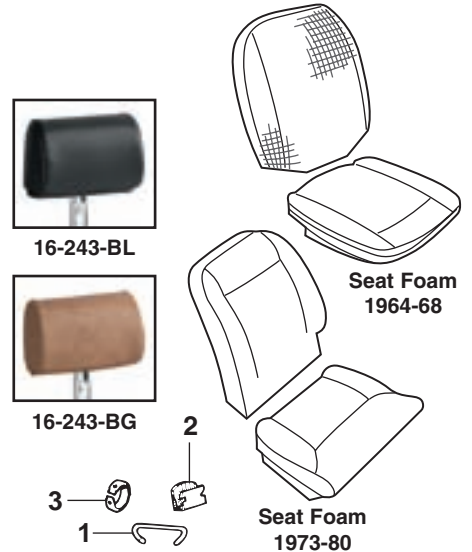

Reupholstery Seat Kits are made from the finest upholstery vinyl available with a simple and easy-to-install design that is patterned and stitched similar to the original. One kit completes both seats.

Seat Foams are sold separately.

- Tools required: Flathead and phillips screwdrivers, rubber mallet, scissors or utility knife and a pencil.
- Remove the seats from the car and remove all clips and hardware.
- Using a utility knife or scissors, remove your old seat covers.
- Slide new seat covers over the seat foams. Make sure all of the wrinkles are pulled out. Replace the newly covered seats.

Spitfire Houndstooth Seat Kit ... Originality and Style at Its Best

Designed just like the original seat kit that was equipped on the Spitfire 1500, 1977-1980.

This seat kit is made from the finest upholstery vinyl available, with a simple and easy-to-install design that is patterned and stitched similar to the original. One kit does both seats. Headrests are included.

Remove the seats from the car and extract all clips and hardware. New seat hardware is not included. See above. Using a utility knife or scissors remove your old seat covers. Slide the new seat covers over the seat foams. Make sure all of the wrinkles are pulled out. Replace the newly recovered seats.

- Tools Required: Flathead and phillips screwdrivers, rubber mallet, scissors or utility knife and a pencil.

**Seat Savers ... A Low Cost Way
to Protect Your Seats**

All right! Seat Savers are the fastest low cost way to protect your seats. The bonus of storage pockets on the seat back just makes life a little bit better. Seat Savers are available in black with white logo and gray piping, or tan with black logo and black piping. Rugged, heavy-duty polyester/cotton blend wears like iron. They are machine washable and can be tossed in the dryer. They

come out looking good as new! One piece construction means they are easily installed in just minutes. Elastic around the bottom keeps them in place.

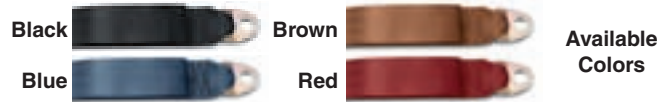

Sold in Sets of 2 - Available in Black or Tan

Seat Belts ... Buckle Up for Safety

Ensure the safety of you and your passenger with vintage style seat belts. These non-retractable belts have a chrome lift-latch or push-button buckle and are made for comfort and ease of use. Choose the lap seat belt or 3 point lap/shoulder seat belt for added security and safety. Either style can be safely installed in your car to suit your needs.

Meets Federal Motor Vehicle Safety Standards. Available in four colors to coordinate with your interior. Mounting hardware and installation instructions included.

Available Colors

15-210-BL

Snap-hook style uses hooks on the belts and matching eye bolt hardware for the floor mounts as found on most early cars.

15-213-LL

Bolt-in style includes bolts for permanent mounting used in later cars.

Lap Seat Belt and Mounting Hardware

15-220-RD

12-595

Seat belts are six feet long and designed with a quick release push-button buckle. Constructed of OE quality herringbone webbing to ensure the safety of you and your passengers.

Models not originally equipped with seat belts will need to order the lap seat belt mounting kit, sold separately.

Federal regulations require seat belts in all cars manufactured after January 1968.
