

Carpet Kits ... 3 Different Styles ... Choose the One to Fit Your Needs

Standard Black Carpet Kits

All right, so you don't want to spend a fortune. The Standard Carpet Kit is designed just for you. A complete carpet kit that not only makes your interior look better, but is available for about half the cost of the "big time deluxe carpet kit".

The Standard Carpet Kit replaces all interior carpet which is edged, stitched and bound where the original carpets were. Made from plush cut pile with 1/4" foam backing, these kits glue down as opposed to the original kits which snap down. Because they are fade free, they keep that new look year after year.

Complete car kit replaces all interior carpets. Easy to install because there are no special tools required, glue is sold separately, see below.

OE Style Carpet Kits ... Designed to Original Factory Specifications

The carpet material used in these sets is made to the original specification as used by MG Abingdon and manufactured by the original supplier. Features a water resistant latex based compound on the back of the floor mats. All other items in the set do not have a layer of latex, which enables you to fit them to wheel arches and wells.

Features of the OE Style Carpet Kits: Heel mat is ready sewn to front footwell carpet. Rear wheel arch covers are gusseted and sewn to help fitting.

Included in the Set: Carpet clips.

Deluxe Carpet Kits

The Deluxe Carpet Kit is a complete car kit that replaces all your interior carpets. Designed to original factory specifications, this kit is edged, stitched and seamed like the original carpet.

The 20 ounce jute backing, with the additional 50% more plush nylon cut pile, allows more sound to be absorbed. The Deluxe Carpet meets all federal fire safety standards. Hardware included, but not installed.

16-684-BL

Basic Fitting for All Carpets:

- Tools needed: wrench, scissors, awl and chalk. Glue as required.
- Remove your seats from the car. Prefit your new carpet over your existing carpet to ensure proper fit and placement. It may be necessary to trim the raw edges of the carpet with scissors.
- After the carpet is in place, use an awl to locate the seat bolt pattern and seat belt fixings. Mark the pattern with chalk and cut through the carpet accordingly. Replace seats.

Carpet Kits may vary in appearance from photograph depending on your car's model.

Insulation Material: This 1/4" thick synthetic Insulation Material is similar to the insulation used in today's cars. It also makes a great sound deadening material when used underneath rubber floor mats or wherever your car needs extra insulation.

Suffolk Interior Kit ... Your Car's Interior Will Look Better Than New !

MG Midget 1970-79

Made in England

VICTORIA BRITISH LTD.®
The Exclusive United States Distributor

Leather Colors

Black

Biscuit

Vinyl Colors

Black

Biscuit

These Suffolk Interior Kits will make your interior look better than new. Includes Suffolk Seat Assemblies (see details below), Interior Panels, Gear Shift Gaiter, Complete Carpet Set and 39 inches of loose material. With the addition of these Interior Kits, you will give your car the look that will be admired for years to come.

The most intimidating, and actually the simplest, part of your car is the interior upholstery. Complete Step-by-Step "How To" Instructions are included so you can do it yourself! The interior components in these kits already have all of the seams, flutes, grooves and patterns made into them. Basic hand tools you probably already own, or can borrow, will help you get the job done. An interior can be installed in an apartment complex parking lot. The seat can be removed, taken indoors and reupholstered in the middle of the winter. You just remove, dismantle and reinstall.

This is the one part of the car that generates the most attention. The magic of a great interior is having quality components that fit properly and look great. You save lots of money with this kit. Purchasing all of these pieces individually would cost considerably more. Kits do not include map pocket.

And, now you know that you can install it yourself ... or, if you don't have time, buy this kit and take it to a professional upholstery shop. These kits make upholstery shops look good! Call or go online and order today!

★ Exclusive ★ Suffolk Assembled Seat Set ... Just Bolts On Your Seat Rails

AH Sprite 1967-69

MG Midget 1967-79

Made in England

Also available
in Biscuit.

Seats feature a modern
fully reclining mechanism.

Update the look and feel of your interior with a new pair of seats. These Suffolk Seat Sets bolt on directly to the original seat rails of your car.

The Leather seats use soft Bridge of Weir Scottish Leather on the seat faces. The Vinyl seats have smooth center pleats. Suffolk Seats have a stronger seat frame design, modern fully reclining mechanism and twin post headrests. Improved shape with larger side bolsters hold you firmly and comfortably in place. Tested and certified to exceed safety requirements.

These seats are a great addition to your interior, whether you are just starting to restore your car, or are finishing it off. If you are just starting the interior restoration, save money with the Interior Kit above, which includes these seats! Call or go online and order your Suffolk Seat Set or Suffolk Interior Kit today!

Leather and Mahogany Steering Wheels ... Sporty and Comfortable

Three Spoke Steering Wheels are specially designed and manufactured using the finest quality materials. Every wheel is hand finished and has passed strict quality controls throughout the manufacturing process. The unique and beautiful appearance of either real leather or mahogany remain natural products with their own appeal.

The Leather Steering Wheels are 14" in diameter and come with your choice of either polished or black center spokes. The Mahogany Steering Wheels are 13" in diameter and have polished center spokes. An MG Logo Center Cap for Midget owners and an Austin Healey logo center cap for Sprite owners are included with either the black or polished center spokes. Logo center caps make these Steering Wheels look like they were made especially for your Midget or Sprite.

Dash Overlay ... The Best Solution for a Split Dashboard

Dash Overlay may be painted to match the color of your interior.

Dashboard Overlay is a replacement cover for the split top of your existing dashboard. It's made from injection molded, heat-resistant plastic that has been tested to withstand dashboard surface temperatures in excess of 215°F without wrinkling or warping. Just glue it on over your existing dashboard and your old split dash will look as good as new. Complete instructions included.

Seat Belts ... Buckle Up for Safety

Ensure the safety of you and your passenger with vintage style seat belts. These non-retractable belts have a chrome lift-latch or push-button buckle and are made for comfort and ease of use.

Choose the lap seat belt or 3 point lap/shoulder seat belt for added security and safety.

Meets Federal Motor Vehicle Safety Standards. Available in four colors to coordinate with your interior. Mounting hardware and installation instructions included.

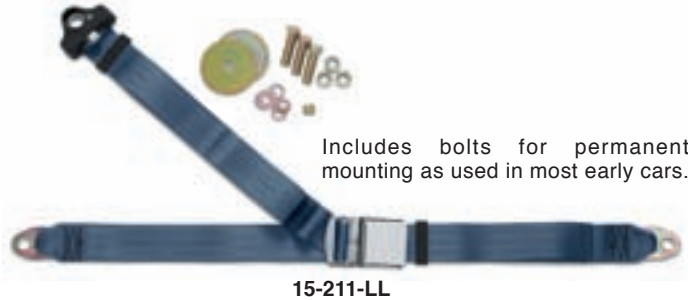

Lap Seat Belt

Includes bolts for permanent mounting as used in most early cars.

Reupholstery Seat Kits Require No Sewing ... Yes ! You Can Do it Yourself !

1958-62 9-9914-BW 1963-64 9-9906-LW 1965-68 9-9907-RW

Reupholstery Seat Kits are made from the finest upholstery vinyl available. With a simple and easy-to-install design that is patterned and stitched similar to the original. One kit completes both seats. **Seat Foams are sold separately, see page 27.**

- Tools required: Flathead and phillips screwdrivers, rubber mallet, scissors or utility knife and a pencil.
- Remove the seats from the car and extract all clips and hardware.
- Using a utility knife or scissors, remove your old seat covers.
- Slide the new seat covers over the seat foams. Make sure all of the wrinkles are pulled out. Replace the newly covered seats.

Interior Panel Kits Install Easily and Give Your Car Its Original Showroom Look

Interior Panel Kit includes:

- Door Panels (where original)
- Front Kick Panels
- Rear Quarter Panel
- Rear Bulkhead Panel

The vinyls are already bonded to long-lasting back boards. Patterns follow the original styling to give you an authentic look. Installation is straight forward, you remove door cranks, bezels etc., then remove the trim screws holding the panels. The new panels in the kit are designed to fit right into place.

- LW Blue With White Piping
- NV Navy Blue
- AL Autumn Leaf
- RD Red Without Piping
- RW Red With White Piping
- BG Beige
- BS Biscuit

10-838-BS

Interior Panel Kits may vary in appearance from illustration depending on your car's model. Please include chassis ID number on all interior orders.

Reviving your Sprite or Midget to its original showroom appearance is easy with our British-Leyland styled Interior Panel Kits.

Multi-Purpose Heat and Sound Insulation

Uses Space Age technology to insulate against heat, cold and noise. This 4-foot x 6-foot sheet is made of 3/8" sound deadening fiber padding. Highly reflective aluminum is bonded on one side to achieve 97% reflection of radiant heat. Works great under the hood, under your carpet or rubber mat, above headliners, behind door panels, on the firewall and behind the seat. This Multi-Purpose Insulation has numerous household uses. Save on your gas and electric bills by insulating your water heater, pipes, garage doors and attic. Use this Multi-Purpose Insulation with Sound Control Mat, see page 26, for maximum sound deadening. Call or go online and order both today! Use #14-049 Super Adhesive or #14-040 Spray Adhesive and #14-079 Aluminum Tape to easily install Insulation Material.

Embroidered Logo Carpet Floor Mats ... From British Motor Heritage

Made in England

These high-quality, custom-fit, carpet floor mats are from British Motor Heritage. The embroidered logo is proudly displayed on each mat and will add to the ambiance of any classic car's interior. The custom-fit design ensures that the mats will conform to the contours of the footwells and provides protection for the carpet. Fitted with non-slip crumb backing to remain securely in place, the mats are simple to remove and clean. Mats are black and finished with a matching binding.
